Sun Rays & Boat Waves

Summer 2024 - sunshine, blue water, luscious greenery, glorious sunsets, family time; a summer to remember.

Here at Charleston Lake, it really is the little things. We reflect on this summer with smiles on our faces, warmth in our hearts and tan lines on our.. well, we won't go there. We hope you enjoyed your summer and got lots of lake time in. Today is October 1st and the leaves are just beginning to change here at the lake. We are preparing for our Lakeside Christmas Market December 7th! The water level is down almost 2', boats are being pulled out and winterized - I wonder if they fantasize about next summer like we do at the height of winter's cold..

“Dockside” Restaurant Project

Yes, the rumour is true; we have purchased “Dockside” Restaurant at the Main Dock in the Village of Charleston.

In June 1957, Robert P Layng built the one storey structure that was a store, located at the village dock. Mr Laying and his family owned the cottage on Beechers Island. Irene has named the restaurant project “The Turtle Project” as it is taking us on a slow path to get the doors reopened. We hope to open the doors for business in the early spring of 2025 and have it operational from spring to fall, 7 days a week for breakfast and lunch with a retail section. We have designed it to incorporate both indoor and outdoor seating, and take out options for our avid boaters. A cozy, welcoming environment to gather with friends and family on the shoreline of Charleston Lake. We are welcoming name suggestions!!

Rebrand

We've had some fun rebranding our logo & developing a new website! New goodies to come.

Steel Siding

Reel Paradise received a steel siding makeover in fall 2023, the rest of the cottages will match in 2025!

Elaine loves visiting the lake!

Elaine catches up with one of her dear friends, who is our longest visiting guest - since 1962!

Spring Street Garage

Now two separate businesses to accommodate you better.

Lakeline Lodge & Marina has branched from our Spring Street Garage location to form two separate businesses. springstgarage@gmail.com

Lakeline Hike

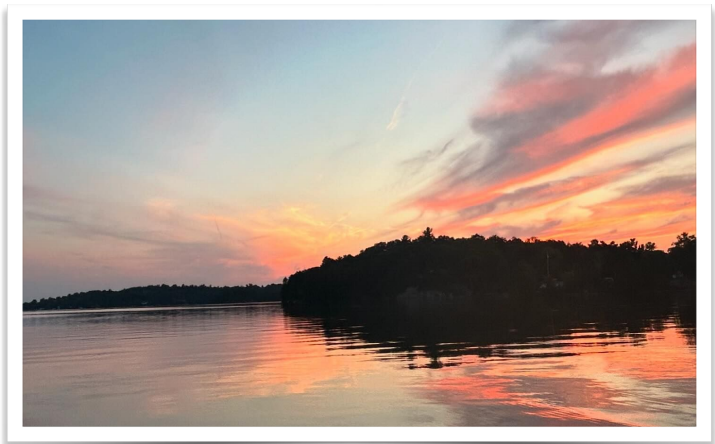

Cataroqui Boat Launch Loop

We have added hiking trails to our Spring Street property for your enjoyment. Great for the whole family, as it is an easy hike with little incline and clear cut trails. The doggies will love it and it will tire out those kiddos! Fresh air fun for all!

Memorial Benches

Relax & Remember

Our property features three memorial benches, two for Shirley Mulder whom enjoyed the lake in her kayak which made ripples daily with her little dog on the bow. One for Tom Weil, a fisherman whom brought his family to Lakeline for generations. His son, Steve, returns to Lakeline annually and has a passion for this lake you can feel in his presence here; "Fish on". We are adding three more memorial benches to our property. One to honour the man who created Lakeline Lodge - Glenn Ireland "pop-pop". One to remember Glenn & Elaine's daughter, Shelley. The third for Irene's father, Lawrence Bell.

General Maintenance

- Fish Hut - Steel interior around the bottom of the walls, new door, new light
- Gas Hut - re stain exterior
- Garbage Room - door and light
- Cottages - Dockview, Anchors Away, Sunny Daze, Sunrise, Sunset steel siding
- Remove cement stones throughout the property.
- 3 new black benches on property
- Palm Beach Pontoon - new vinyl seats, floor

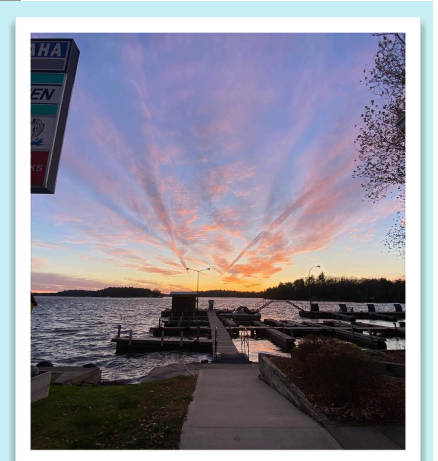

Dock Updates

AGCO LICENSE

Beer, wine & coolers, oh my! Beginning April 2025, Lakeline Lodge will be offering these delightful beverages for sale!

CASTING OFF FOR THE 2024 SEASON

This has been a year of change for us here at Lakeline. Many exciting opportunities in the year ahead with The Cottage, AGCO license, new branding, steel siding..! We will have a busy "off season" preparing for the new beginnings and offerings this spring. The fall is our favourite season here at Charleston Lake. While we love the busy, fulfilling months of July & August, there is such beauty in September and October. These months give us time to reflect on another gorgeous summer, we have time to watch the mist roll off the lake in the morning, enjoy the spectacular sunsets as they come earlier each evening and watch the lake turn from luscious green to fall-colourful. We are thankful to know each one of you and we are grateful to call this wonderful lake home.

Casting off, The Irelands & our lovely, caring & helpful crew here at Lakeline Lodge.
